Event Report

BADNER LEADERS

Report by Nick Male & Photography by Andrew Grady

We have our National Anthem, they have their 'Badnerlied', But the musical communities of our twinned towns are certainly singing in unison these days.

In this unfolding relationship, it is the Borehamwood and Elstree Twin Town Association that is leading the way forward.

The recent visit of the 55-strong Musikverein Rammersweier was a resounding success,

A village of around 2,000 people, near our German twin town of Offenburg, has produced a leading wind band of truly outstanding ability.

From West End show music to military marches and from movie themes to opera, they covered an enormous range.

A near-capacity concert in the Ark Theatre inspired thunderous applause and a standing ovation, from a delighted audience, including the Deputy Mayor of Hertsmere and the Mayor of Elstree and Borehamwood, as well as our MP James Clappison.

Says BETTA Chairman - Martine Eni, "Once again, the BETTA team pulled it off.

Thursday morning, at 9am, saw BETTA Vice-Chairman Andrew Grady and committee member Nick Male, frantically waving a huge German flag at every coach turning onto London's Hyde Park Corner.

Finally arrived at the Travelodge, Studio Way, the German visitors were serenaded by local bagpipe maestro George McGregor.

Rested after their journey, the guests enjoyed a Folk Night in the Ark Theatre Bar.

Hosted by Hertsmere Acoustic Music Club, the evening featured traditional and modern songs in both English and German.

On Friday morning, the party split into two groups for a Film History walk. The German visitors were very interested in all the locations they visited in this the centenary year of film making in Borehamwood.

Next stop was Fairway Hall. The Elstree and Borehamwood Town Council were hosting a Civic Reception for our visitors.

Speeches were made and gifts exchanged.

After the concert, musical memories were ensured and tummies filled with takeaway pizza delivered to the car park of the Toby Grill!

Dancing also had its place in the fun-filled schedule.

St. Teresa's Parish centre was the venue for a Barn Dance on the Saturday night

'Do-si-dos' were the order of the day, while thirsts were quenched from a charity bar, run by local Peace Hospice support group 'The Sunday Club.'

Martine, again with a final summing - up.

"BETTA is a great organisation, but this weekend proved the central importance of working with our community partners.

The Joint Catholic Parishes, the Rotary Club, the Sunday Club, the Town Council, the Borehamwood Brass, and the Ark Theatre.

We are 'BETTA together' "

Club Escargot

Our aim is to introduce children to the fun of learning French as early as possible, as well as discovering the culture and customs. The general ages of those attending the club are between 6 and 12 years old but this is flexible. The classes are held every Saturday during term time at St Paul's Church Hall, St Paul's Close, (corner of Cranes Way and Furzehill Road) each one is 2 hours long (from 10 a.m. to 12 p.m.). The classes cover the basics of the language (e.g. parts of the body, colours, numbers, positions, greetings, animals, clothes, transports, weather, etc.) through songs, rhymes, activities, cooking sessions, and traditional dances. The classes are run by qualified and fully trained teachers who have a lot of experience teaching children AND are all NATIVE FRENCH SPEAKERS. Children play, learn and are immersed in the French Language throughout the sessions. These activities actively help children with their communications skills and school progress. The adults who run the club are subjected to Enhanced C.R.B. checks, so you can drop the children off with the knowledge that they are in safe hands and go and have some much needed time alone!

It is with regret that the committee of the Association is suspending the Autumn Term of the Club Escargot, in an effort to streamline our costs, but it is hoped that we may be able to re-start the lessons in early 2015.

Keep posted for further information.

If any member of the association is interested in assisting to run the Club Escargot, please contact BETTA on

Flower Festival & Families Day 2014

Again this year the Association entered the Flower Festival this year. The theme this year was based on the 100 Years of the film industry, our entry was based on "One Million Years before Christ". Betta's arrangement around vertical planting was a great success with a planted frame of 4 by 6 ft.

We also held our usual stall at Families Day, held this year on Saturday 28th June.

On Sale on our stall was a selection of Cakes, and some BETTA branded Hi Visibility Jackets.

School Links Activities

The role of school links coordinator is to get in touch with schools in Elstree/Borehamwood and in Fontenay in France, to establish pen pal exchanges between pupils from our two countries.

The idea is to expose the children to a different culture, open their minds, broaden their horizon and of course improve their language skills, this being particularly important from an early age, at primary school level.

We have, until now, put in place links at schools from Borehamwood like Kenilworth, Parkside, Monksmead, Fairway and also at St Nicholas in Elstree.

At secondary school level, Hertswood Academy has also exchanged with a "Collège" in Fontenay and the teenagers are finding the links very rewarding.

Overall, our school exchanges continue to be a very beneficial experience for all involved.

We will be contacting new schools in September to broaden the scheme and offer this wonderful opportunity to even more children.

Chez Ton-Ton

BETTA Bastille Meal 2014

On the 15th July 2014 a group of members from the association celebrated Bastille Day with a luxurious meal at Chez Ton-ton restaurant in East Barnet.

Also present was The Mayor of Elstree & Borehamwood Cllr Pat Strack, accompanied by her husband, Geoff.

Along with our friend Rosweta Lamb, who playing her accordion enhanced the evening with some wonderful traditional French folk songs.

AGM Report 2014

2. General Report (Secretary & Chair):

I want to start this with telling you that we live in times where nothing is certain!

We do not know what tomorrow will bring and nobody in this room can predict the future...

In these times of uncertainty I am glad to announce that there is one organization which has survived many mayors, many many gov and even more councillors... It is BETTA!

We unlike other are here to stay, and in my book it boils down to 3 simple points: Paste... generosity... discipline.

Paste because we continue to plough on year after year...we regroup and grow...we are here because we are able to adapt and adjust and this is missing in many organisations from the smallest to the top gov institutions....

Generosity...our members are coming to our events, some of our kids at the club escargot are there for years! And all our committee members are committed...

Discipline: yes I am putting my foot down sometimes... but never for me or myself but because the reputation of this organization has become exemplary and I as well as the committee are conscientious that this need to be preserved.

We have put our name to BETTA and people respect BETTA.

It is therefore essential that all what we do and organize benefits from complete transparency and accountability!

We are strong by our actions... it goes from the selling of cakes at events to who is providing the music....we have a great team, let's make a greater one!

Since the last AGM we have had a few well attended events, we have created new ideas.. Jazz at the Ark is one... we have also helped other prestigious organisations to go to

visit our twin town for example the Rotary went to Offenburg thanks to the connection to

Offenburg and should we claim a partial fame from the Cycle Race the Borough mayor

organized from Fontenay to Borehamwood which raised hundreds of pounds for charity?

We are going to meet the new mayor of Fontenay this week end and we will look into org another Christmas trip to

Offenburg.

Many more events in the pipe line and the newsletter will inform you more of this

We have kids from Elstree and Borehamwood corresponding with kids in schools in France and we have a healthy

membership who is committed as much as to actually pay to be members of BETTA.

This is a proud organization to be chairing when pay to be part of it! I want to thank you all but specifically

>David for taking the hold of our finances and holding these reins firmly!

>Rex and Jane for the secretary positions! Sadly Jane and Rex due to ill health have to resign this year. We have a

plan b no worries!

>Irmine for doing a great job with the adult French class and the school communications

>Nick Male on the entertain committee

>Andrew for jumping in when I can't (sometimes even when I can...) and running an efficient news letter

Nigel Richard and all for your support

We need to thank our council for allowing us to use the Town Hall for our post which allowed us to save some

substantial money and for installing the first annual grant of

£1000 toward costs and £1000 towards entertaining International guests

We are still working on this scheduling of spending...

We are functioning well because of some administrative rules

One email

One phone number

One website

This is clarifying the communications and stopped misunderstandings I am going to continue to work on this.

I am actually asking Andrew to implement these rules even more in the future year.

David Brown our treasurer will now explain his treasurer report

Irmine has a report on her activities for you now

Now I would like us the committee to clap and thank the ones of our members who are here.

On the posts allocation for the New Year:

The changes are for Membership secretary and secretary

David Brown has accepted to write up the minutes for the time being

Annie Lalova has accepted to take over the membership secretariat and we thank her for this. She is not here but I

want to insure you she is a great girl and will keep us all in check!

Rex is going to continue with the secretariat duties until such time we have a volunteer secretary please ask your

friends if they would like to take this position of trust.

I finish this report in thanking you all for coming and we will publish these minutes in the next newsletter.

So I would like a toast!

Here is to another year!

Here is to another year!

3. Treasurer's Report:

DB presented a report on the finances for 2013 - 2014 to date.

4. School Links Coordinator's Report

My role as a school links coordinator is to get in touch with schools in Elstree/Borehamwood and Fontenay, to establish pen-pal exchanges between pupils from our two countries.

The idea is to expose the children to a different culture, open their minds and broaden their horizon and of

course improve their language skills, this being particularly important to start from an early age, i.e at

primary school level.

We have, until now, put in place links at schools from Borehamwood like Kenilworth, Parkside, Monksmead,

Fairway and also St Nicholas in Elstree.

At secondary school level, Hertswood Academy has also exchanged with a "Collège" in Fontenay and the

teenagers are finding the links very rewarding.

Last September, a group of pupils went over to France and spent a few hours in the French school they are

linked with and thoroughly enjoyed meeting their pen-pals for real. They were made to feel very welcome

and they look forward to welcoming the French pupils over here, should there be an opportunity in the

future.

Overall, our school exchanges continue to be a very beneficial experience for all involved.

We will be contacting new schools in September to broaden the scheme and offer this wonderful

opportunity to even more children.

With a different hat on my head as a volunteer at BETTA, I'll also mention the free conversation sessions

which are running smoothly in our new Community venue, 96 Shenley Road.

As some of you will know, we meet in their café on the last Tuesday of each month, from 2.30pm till 3.30pm

and we were delighted to meet several new participants last time, following the article about BETTA in the

Town Crier. It is always a pleasure to welcome new faces so please spread the word!

Thank you!

Irmine Mason

7. Q & A (End of formal meeting)

DB was asked to clarify the dates in the treasurer's report. The report was from 1/5/13 to 30/4/14 and

the income for the 2014 Fontenay trip was wrongly printed on the report as Club Escargot membership

income.

ME was asked if we were doing a student exchange. BETTA will facilitate such events but doesn't plane to org itself.

CB thanked BETTA for it's work over the year.

ME mentioned the Ark event and lunch.

AG mentioned the entertainment events being organised at the time of the German visit later in the year.

Sophie was thanked for her culinary contributions later enjoyed by all.

The formal part of the meeting ended at 20:10
